We advise you, to get the right decision!
We help our investors to get right decision at the right time.

Our deep sector knowledge and unrivaled insight into the private fund market across several asset classes allows us to raise capital efficiently and effectively. We thrive on working alongside the most innovative funds and consistently partner with the highest-quality fund managers.

ABOUT US

As an extension of our advisory services, Gev Investment also makes selective principal investments. Gev Investment assists companies in structuring debt and equity financings, executing mergers and acquisitions, completing management buyouts, and assembling corporate financing strategies. The firm renders fairness opinions and provides valuations of public and private securities. Gev Investment offers middle market companies the experience and of a traditional Wall Street investment bank coupled with the independence of a pure financial advisor. We're dedicated to growing the wealth and the overall prosperity of our investors. We adopt an active, flexible approach to portfolio management. We use a wide range of financial instruments and strategies to take advantage of changing market conditions.

Our overarching aim is to grow your wealth over time. As markets change, we constantly re-evaluate our finances and investments to achieve the best outcomes. We strive to protect clients' capital in less favorable markets. We research finances and investments to identify potential opportunities others may not see delivering the best possible outcomes for our clients through strategy, expertise, networks and an unwavering commitment to realise the potential of the people and companies we partner with.

As United State's leading financial investment and advisory group, we connect insights, people and capital solutions to deliver exceptional outcomes.

"With a good perspective on history, we can have a better understanding of the past and present, and thus a clear vision of the future."- Carlos Slim Helu

Innovation: We are open to ideas, different perspectives and respectful debate to improve what we do and how we do it. We empower people to make things happen. We think creatively and act decisively to ensure our products and services keep our clients and our business at the forefront of the industry.

OUR MARKETS

FOREIGN EXCHANGE

Forex, also known as foreign exchange or FX trading, is the conversion of one currency into another. It is one of the most actively traded markets in the world, with an average daily trading volume of \$5 trillion leading us to actively capitalize on it.

STOCKS

The market that is most familiar to the average investor is the stock market. This market allows investors to buy and sell shares of ownership in publicly traded companies which we facilitate for investors.

BONDS

The debt market is used by governments, companies, and financial intermediaries to issue debt instruments to raise capital. Prime Associates has limited stakes in this market.

CRYPTOCURRENCY AND CFD TRADING

CFDs trading are derivatives, which enable you to speculate on cryptocurrency price movements without taking ownership of the underlying coins. You can go long ('buy') if you think a cryptocurrency will rise in value, or short ('sell') if you think it will fall. Our experts leverage highly on this market.
